Biliardo - Tavolo da pranzo

Biliardo professionale dal carattere iconico, nato da una visione estetica audace e contemporanea. Il suo design straordinario e immediatamente riconoscibile lo trasforma in un autentico oggetto di design, capace di valorizzare qualsiasi ambiente con eleganza e personalità.

Le linee ricercate e originali definiscono una vera opera d'arte funzionale, dove forma e funzione dialogano in perfetto equilibrio. La struttura, solida e impeccabilmente bilanciata, poggia su una scenografica gamba centrale in metallo, caratterizzata da una raffinata foratura nella parte superiore: un dettaglio distintivo che alleggerisce visivamente la composizione ed esprime al massimo l'innovazione e la sofisticatezza del progetto.
