LACQUERING

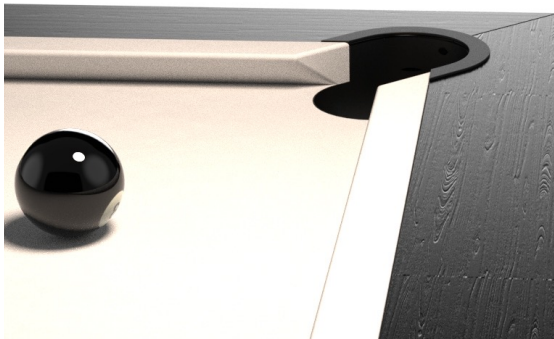

CLASSIC RAL & NCS

Additional charge for billiard table lacquering and dining top: **+180€**

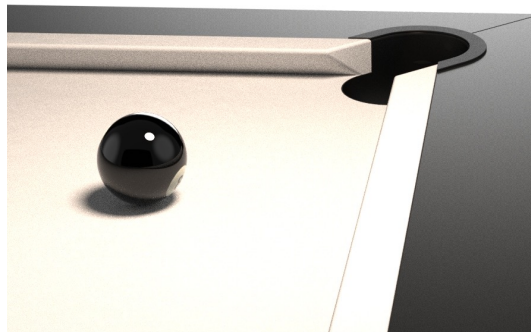

These finishes are thicker and provide better coverage than natural varnishes; all classic RAL and NCS colors are available. The final effect matches the RAL color chart exactly; however, on woods such as ash and oak, the wood grain will still be visible.

3 different types of finishes for lacquered surfaces

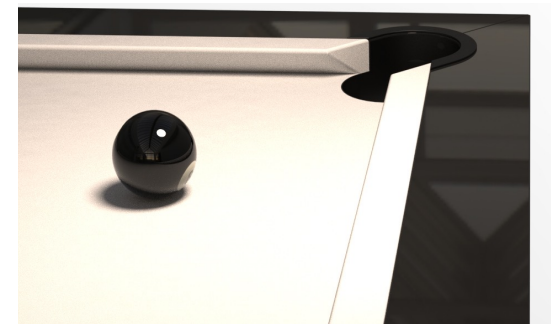

Matte open-pore included in the price

Matte close-pore included in the price

Closed-pore, glossy + 700€
